WHO WE ARE

ABOUT

LAXENIA INTERNATIONAL INSTITUTE OF SWITZERLAND

La Xenia, care about every little detail in the educational journey of our students! We cater to all our students' needs, we provide sound educational advice and we accompany our students throughout their entire educational journey until they become the stars they aspire to be.

Our students can explore the world while studying with us. La Xenia has built an international network of educational partnerships in the United States, United Kingdom, Australia, Canada, Singapore, United Arab Emirates and Malaysia, creating international opportunities and allowing students to study anywhere, at any level desired.

VISSION To be one of the top twenty ranked hospitality institutes in Switzerland by 2025.

MISSION To deliver high quality practical hospitality and business education for international students at affordable fees.

PHILOSOPHY La Xenia's philosophy is based on hands-on, real-life and practical experience throughout the student's educational journey. La Xenia is one of the very few Swiss institutions that give students the opportunity to practice their skills with real customers in a real hotel and restaurant environment.

ABOUT KNOWSKILLS TVET COLLEGE

KNOWSKILLS TVET COLLEGE (KSTVET) is a private Technical and Vocational Education and Training (TVET) College in Malaysia, offering practical-oriented courses from Level 2 to Level 7. It is associated with LaXenia International Institute of Switzerland, conducting programs from Level 2 to Level 6 and other professional courses. KSTVET is also an Accredited Centre of London Academy of Professional Training (LAPT, UK) and has partnerships with EDEX Academy (New Zealand) and International Cultural Communication Centre Malaysia (ICCCM). KSTVET focuses on preparing students for industry demands through internships, projects, and job opportunities.

VISION To be a prominent and an acclaimed private Technical and Vocational, Education and Training (TVET) hub which is both locally and internationally renowned

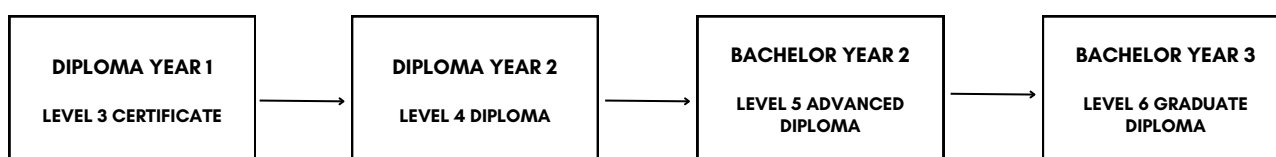

MISSION To enliven and to augment the young and modern generation through vocational and professional education and training to generate a group of pragmatic practitioners for the working world
